

Friends of Lake of the Woods (FLOW) has added the LOWA 50th Anniversary Celebration to its list of current projects.

This means that LOW residents, and others, can now make tax-deductible contributions to FLOW and have those funds defray costs for the celebration. Several donations have already been received.

As the primary sponsor for the celebration, LOWA is providing funds to the 50th Anniversary Ad Hoc Steering Committee to partially cover expenses. Think of it as a line of credit.

Many of the special activities (concerts and dinner dances, for example) will be self-supporting through ticket sales. Others, like 5K Run T-Shirts and enhanced Independence Day activities and fireworks on July 1, will not be. The same is true of the museum exhibit and permanent display cabinets. This is where your contribution can help. Every dollar returned to LOWA by the steering committee holds down the cost to members for the 50th Anniversary Celebration.

FLOW is an independent 501(c)(3) corporation dedicated to promoting and supporting the LOW community. Visit the website at [www.friendsoflow.org](http://www.friendsoflow.org) for credit card donations or mail checks to FLOW at P.O. Box 282, Locust Grove, VA 22508. Please enter "50th Anniversary" on the memo line.
