

At the May 24 Concert on the Point, the 50/50 raffle held by Friends of Lake of the Woods raised \$930 for the Happy Tails Dog Park shade project. Pictured are drawing winner Ciera Brooks and her daughter flanked by (L) Sharon Forest, Happy Tails Dog Club member, and (R) Bren Anderson, president of FLOW.

There's a whole lot of tail waggin' going on at the Happy Tails Dog Park. Thanks to collaboration between the dog park members and the Woodworkers Club and an endorsement by the LOWA Board of Directors, there will soon be improvements at the park for all dog park members to enjoy.

Specifically, the woodworkers are building a pergola using materials supplied and paid for by the Happy Tails Dog Club and by tax-deductible contributions donated via Friends of Lake of the Woods. The pergola will be placed in the small section of the park to provide needed shade.

Also, six wood garden-style benches will be purchased. Two will be placed under the newly-built pergola and four will be placed in the large and small sections of the park, where needed. Estimated cost of the project is \$3000.

Fundraising kicked off on May 19 with a Dog Park Photo Shoot organized by Happy Tails members and local photographer Dan Reams who donated his time and talents.

At the Concert on the Point on May 24, the 50/50 raffle held by FLOW for the benefit of this project netted \$930. Stay tuned for other fundraising efforts and dog park news.
